Reasons for Allowance

1. Claims 1-8 are allowed.

The following is an examiner's statement of reason for allowance:

Claims 1-8 are considered allowable since the prior made of record and considered pertinent to the applicant's disclosure does not teach or suggest the claimed limitations. Tanaka et al. (U.S. Patent No. 6,527,562) and Yang et al. (U.S. Pub. No. 2003/0099088), taken individually or in combination, do not teach the claimed invention having a mask extended from the base plate for substantially shielding an end of the antenna welded on the wireless LAN card inside the mask.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
